REASON FOR FILL/REFILL: New Pool to replace the existing pool with spa

On August 23, 2017, Montecito Water District adopted Ordinance 95, which includes the following restrictions on water use for pools, spas, and hot tubs as cited in "Section 4e" of said Ordinance:

Water for private swimming pools, spas and hot tubs is considered a non-essential use. Property owners with new and existing private swimming pools, spas and hot tubs are permitted to maintain water levels, and to drain and/or fill only once every five (5) years upon application and written authorization from the District. All swimming pool owners with pool covers shall cover pools when not in use. On written application and at the discretion of the General Manager, a property owner may be authorized to drain a pool for repair and to refill it.

Please sign below, acknowledging that a) you are hereby making an application to fill and/or refill the pool at the above referenced address; and b) you have read and understand the above described Ordinance 95 water use restrictions; and c) you understand that any violation of the water use restrictions detailed in Ordinance 95 will be subject to fines in accordance with "Section 4f" of said Ordinance.
