The proposed project involves the request of Santa Barbara Ranch LLC, as applicant, for approval of various legislative actions and land use entitlements allowing the development of between 54 and 72 new residential dwellings, equestrian center, agricultural support facilities, a worker duplex, public amenities (including access road, parking and restroom, hiking, biking, equestrian trails near the coastal bluff, an educational kiosk and a coastal access stair structure), and creation of conservation easements for permanent protection of open space and agriculture. The proposed site encompasses Santa Barbara Ranch and Dos Pueblos Ranch, together totaling 3,254 acres and 85% of the lots comprising the Official Map of Naples Townsite.
