Steve Chase, Deputy Director, Development Review (805) 568-2520

In collaboration, Comprehensive Planning and Development Review are sponsoring a special joint workshop for the County and Montecito Planning Commissions. The workshop will present an overview of the sustainable development principles currently being advocated by the American Planning Association (APA) and the planning profession in general. The guest speaker will be Paul Zykofsky of the Local Government Commission (LGC). The LGC is a nonprofit, nonpartisan, membership organization that provides technical assistance to local elected officials and other community leaders who are working to create resource-efficient communities. In addition, the workshop will inform the Commissions about development concepts being discussed as part of the County's Strategic Scan. The public is welcome to attend. This is a workshop only, therefore no action will be taken.

ACTION: Workshop only, therefore no action was taken.
