**Line 901 and Line 903 Replacement Project**  
**Table of Contents**

|   |
|---|
| <b><i>Attachment A - General Application Materials</i></b>                  |
| A.1- Development Plan Application   |
| A.2- Coastal Development Permit Application                                 |
| A.3- Conditional Use Permit Application                                     |
| A.4- Project Description  |
| A.5- Parcel Index   |
| A.6- Agreement to Pay   |
| A.7- Proof of Parcel Validity   |
| A.8- Utility Company Notification Letters                                   |
| <b><i>Attachment B - Pipeline Engineering &amp; Design</i></b>              |
| B.1- Vicinity Map   |
| B.2- Project Site Map Series  |
| B.3- Photo Logs   |
| B.4- Pipeline Corridor & Mechanical Engineering Drawings                    |
| B.5- Conceptual Grading Plans   |
| B.6- Process Flow Diagram   |
| B.7- Equipment Lists  |
| B.8- Crude Oil Analytical   |
| <b><i>Attachment C - Environmental Analysis &amp; Technical Reports</i></b> |
| C.1- Biological Resources Assessment  |
| C.2- Cultural Resources Report  |
| C.3- Air Quality Technical Report   |
| C.4- Fire Protection Analysis   |
| C.5- Conceptual Screening & Revegetation Plans                              |
